

Module 2 Instructions

Welcome to Module 2 on your path to healing. Please follow these instructions before moving on to Module 3.

This is the only module where we don't provide the materials. That is because we use a book that we didn't write. We have shared some links here to help you find it as inexpensively as possible. If it is impossible for you to make the purchase please email us. We will do our best to get you a copy at no charge. We don't want money to prevent you from continuing on your path to healing.

Here are the instructions for module 1 -

- Watch Video 2 before starting Module Two.
- Obtain a copy of the book Pain and Pretending and begin reading.
- Continue in the 50 Days to Spiritual Healing Devotional if you have not finished.

The goal of this module is to find and document your branding experience(s). Please do not move on to Module 3 until you have completed that task.

We are not asking you to complete the devotional or the book before moving on to Module 3. You decide when the time is right. We are asking that you stay on this module until you have identified your branding experience. The next module will build on that information. Remember that you can ask for a coach at any time by sending an email to terry@sunministries.org with the word COACH in the subject line. Your freedom in Christ is waiting for you!
