

Module 1 Instructions

Welcome to Module 1 on your path to healing. Please follow these instructions before moving on to Module 2.

We have put all the tools in one place on the web site. We have separated the tools by the modules where they are covered. In this module you will find the following.

- Introductory video
- Gospel of the Kingdom video
- 50 Days to Spiritual Healing Devotional

Here are the instructions for module 1 -

- Watch the Introductory video before starting your journey.
- Next watch the Gospel of the kingdom video.
- Next download the 50 Days to Spiritual Healing Devotional

As you begin your journey we recommend you have a quiet place to work. Set aside time if possible. Dedicate a notebook or journal to this process. Journaling can be an important part of the healing journey. Do not feel like you have to “finish” a day every day. Let God speak to you through the devotional. Healing is a process and not a task to complete.

We are not asking you to complete the devotional before moving on to Module 2. You decide when the time is right. Remember that you can ask for a coach at any time by sending an email to terry@sunministries.org with the word COACH in the subject line. Your freedom in Christ is waiting for you!
